

# YOU'VE BEEN ACCEPTED, NOW WHAT?

## TIMELINE

### Send a final transcript

Make sure you complete your senior exit survey and add the college you will be attending so we can send them your final transcript.

### Get credit for your credit

Send any AP or college level credit (transcript) to the Admissions Office at the college you will be attending.

### Be up to date

Make sure your vaccinations are all up-to-date. College campuses requires the MMR (measles, mumps, and rubella) to be updated. Living on campus? Make sure you have the meningococcal vaccine too.

### Activate It

Make sure your college account is activated and set to a personal email address - not your Adams 12 account.

### Confirm Enrollment

Make sure you have confirmed enrollment at the college of your choice. Put down the deposit, select your housing option, sign up for orientation.

### Payment Plan?

Make sure you have completed your financial Aid paperwork, including FAFSA, campus scholarship applications, apply for work study (or line up a job for the academic year), and/or make an appointment with a financial aid advisor so you know your payment options.

### Connect with your Academic Advisor

Schedule an appointment with your academic advisor so you can learn how to declare your major and register for classes.

### Get organized

Once your paperwork is complete, get organized for classes. Rent, buy or borrow your books for classes, buy any additional supplies, and if you are moving out, plan your living arrangements.
